

The Look

To use this detachable lining tape on your curtain linings, decide on an exposed or concealed rod or track, and follow the chart to select hooks required.

Using our LINING TAPE

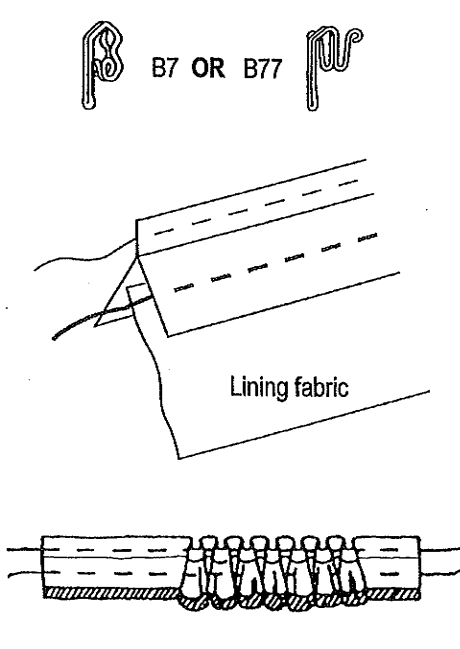

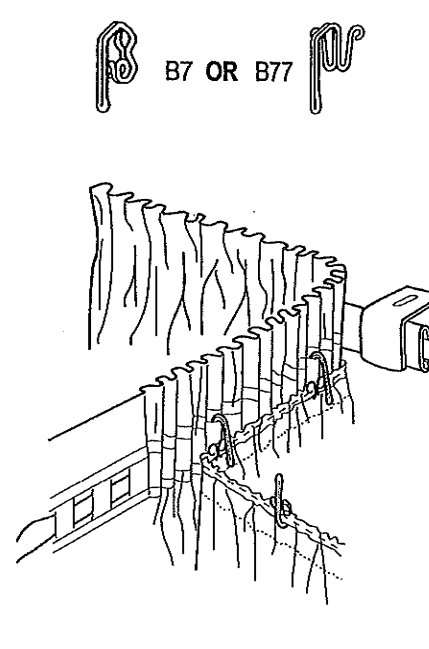

(CT470) 26mm detachable lining tape:

Double skirted tape used for detachable linings. Lining is sewn on tape then hooked onto curtains using the same hook that attaches curtain to the track.

Benefits: Can be easily removed for laundering or change of curtain and uses less material for making lining. 2 draw cords. Available in natural or white.
