

The Look

To achieve this triple pinch pleat look on your curtain headings, first decide on an exposed or concealed rod or track, then follow the chart to select hooks required.

Using our TRIPLE PINCH PLEAT TAPE

(CT885) 88mm wide:

Economical tape with 2 draw cords which pull up to give a set triple pleat effect. Two rows of pockets allow for curtain heading height to be varied. For a neater result, pinch pleats can be hand sewn through base of pleats on right side.

The Choice

| EXPOSED CURTAIN ROD | CONCEALED CURTAIN TRACK / ROD | |
|------------------------------|--|--------------------------|
| DECORATOR ROD OR WOODEN POLE | Lincraft EXPANDABLE TRACK | 16mm Powder Coated ROD |
