Do not break off yarn. This end will be picked up two rows later. Next row: change to MC. Knit. Next row: Purl. Do not break off yarn. This end will be picked up two rows later. These last four rows form the stripe pattern. Continue this pattern, changing colour every two rows until work measures 180cm (or desired length), finishing on a CC purl row.. Change to MC. Next row: Knit. Next row: *P2, K2, repeat from * to end. Next and following rows: Repeat previous row until this double rib MC section measures 6cm. Cast off in rib (P2, K2).
